Why O.U.R. model works

OUR RESCUE TEAMS ARE A FOCUSED, NIMBLE GROUP OF EXTRACTION EXPERTS.

Former U.S. Navy SEALs, CIA agents, law enforcement officers, medical personnel and military veterans

Experienced partners of local and foreign military and law enforcement agencies

WE ARE PRIVATELY RUN, BUREAUCRACY-FREE

Since O.U.R. is not tied to a government agency, we have the ability to identify, plan, and complete extractions more quickly.

WE FORM LONG-TERM RELATIONSHIPS WITH DOMESTIC AND FOREIGN GOVERNMENTS

We provide software and training to local governments to serve as the working model for addressing and ending sex slavery and tourism.

ABOUT O.U.R. FOUNDER, TIM BALLARD

Former Department of Homeland Security Agent Tim Ballard's experience on dangerous foreign deployments gave him not only insight into the scale of the sexual tourism industry, but the skills to work effectively against it.

His experiences inspired him to start Operation Underground Railroad, where he has dedicated himself full time to abolishing child slavery. Over his career, he has successfully dismantled dozens of child trafficking organizations and saved hundreds of children.

“ If my team and I don't find these kids, no one is going to. It's our job. We have to do something. ”

MISSIONS ARE PLANNED. O.U.R. TEAM IS READY.

Fund a mission today and stop child slavery in the U.S and around the world.
